Dear Mr. Carey:

Pursuant to the memorandum of understanding between the Subcommittee on International Operations and the Director of Central Intelligence, and as I described in a telephone conversation on July 13 with [redacted] I would request that, as soon as possible, an interview be arranged for John Ritch and me with persons on the Agency staff having knowledge of matters described in the article on page one of the July 13 Washington Star, "Paraguay Link to Letelier Plot."

Specifically, we would like to be briefed fully on the Star's report that "the secret police of . . . Chile, Paraguay, Argentina, and Uruguay . . . have been secretly collaborating for several years in organized operations against exiles and political enemies from each country, even to the extent of cooperating in assassination conspiracies."

We are not interested at this point in materials which bear directly upon the assassination of Orlando Letelier or which would fall within the scope of rule 6(e) of the Federal Rules of Criminal Procedure.

Thank you for your prompt attention to this matter.

Sincerely,

*Michael Glennon*
